- V. The process and manner for remote e-voting are as under:

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2: Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 are mentioned below:

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholders’ section.

3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

Management Discussion and Analysis Report

Industry Structure and Development

Your company is engaged in manufacture of organic chemicals, intermediates, active pharmaceutical ingredient (API's), personal care products and speciality chemicals. We have emerged as one of the major source for chemical intermediates in India.

Opportunities & Threats

Your company is in the industry since last over 9 years. It has a very high degree of operating synergy, economies of scale and high quality standards. The products of your company have diverse uses and applications in several industries ranging from pharmaceutical, agro-chemicals and personal cares.

The Company is having a good clientele base, which is well diversified over the world. Considering the market situation, global companies have chosen Indian Manufacturers as compared to Chinese companies due to better documentation, reliability and quality product supply from India which has resulted in providing growth opportunities. Your Company is WHO-GMP certified company.

The introduction of revolutionary change in taxation regime viz. GST is having positive impact on your company.

Segment/ Product Wise Performance

Your company is engaged in manufacture of organic chemical, intermediates, active pharmaceutical ingredient (API's), personal care products and speciality chemicals, which is considered as a single segment.

Your company has shown continuous growth in Turnover except for the last financial year. The Company is striving hard for increasing profits from year to year. The total revenue from the operations for the year ended March 31, 2018 declined to Rs. 2594.45 Lakhs as against Rs. 3537.28 Lakhs in the previous financial year 2017.

Market and Outlook

Your company has healthy order book position. The Company's R&D programs are focused on new products development & successfully added a range of products in its basket. The newly developed products will contribute a significant growth in revenue in coming years.

A better product mix, operational efficiency and stringent control on the cost have contributed towards increasing productivity, production and operating margins.

The Company continued to focus on cost control at every level to improve the operational efficiency which alongwith the increased operating level and upward revision of product prices is expected to improve the margin. Continuous efforts are being made for efficient energy and raw material consumption. The rate of flow of orders is encouraging. Production facilities are realigned to meet the demand. Your company, barring unforeseen circumstances, expects to further improve the turnover and performance. Increasing working capital is vital towards substantial growth in the coming years. Recently the Company has installed greener technologies like briquette fired boilers to save fuel costs, the positive effect of which will be reflected in the coming financial years.

Risks and Concerns

Extreme volatility of exchange rate of rupee against US dollar is having significant impact on Raw Material cost of the Company. Approximately 40% of its raw materials are imported from other countries. However, the company has managed to mitigate the risk to a great extent through exports.

Internal Control Systems and their Adequacy

The Company has an adequate Internal Control System commensurate with the size and nature of its business. The preparation designing and documentation of Policy on Internal Financial Control has been finalized and implemented which will be reviewed periodically and modified suitably to ensure controls. The internal audit functions are carried out by a separate firm of Chartered Accountants. This is supplemented through an extensive internal audit programme and periodic review by management and Audit Committee.

Discussion on Financial Performance with respect to operational performance

The total revenue from the operations for the year ended March 31, 2018 declined to Rs. 2594.45 Lakhs as against Rs. 3537.28 Lakhs in a previous financial year 2017. However, the Company is confident that the newly developed products will contribute towards a significant growth in revenue in coming years.

Note 11

05 Gratuity and other post-employment benefit plans

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows.

Category of Assets	March 31, 2018 %	March 31, 2017 %
Investment with Insurer	100	100

The overall expected rate of return on assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

The principal assumptions used in determining benefit obligations are shown below:

Discount rate	7.50%	7.50%
Expected rate of return on assets	8.11%	6.01%
Withdrawal rate	1.00%	1.00%
Expected rate of Salary increase	5.00%	5.00%
Mortality Pre-retirement	LIC(2006-08) Ultimate	LIC(2006-08) Ultimate

The estimate of future salary increase, considered in the actuarial valuation, takes account of inflation, security, promotion and other relevant factors such as supply and demand in the employment market.

(ii) Defined Contribution Plans –

Amount of Rs.28,57,427/- (Previous Year: Rs.23,86,610/-) is recognized as an expense and included in Note 6 - "Contribution to Provident and other funds" in the Profit and Loss account.
